

"Name Dropper"

...All my life, I wanted to be in show business. At sixteen, I apprenticed at a summer theatre. In college, I majored in Speech and Theatre...

...Each time we visited Beverly Hills, we hunted for stars. Our maps of their homes in our hands - we searched like detectives, and we kept our eyes open for those special star plates on the sleek cars...

... And now at the IBM Leadership Forum in San Francisco, Ben Vereen was about to shake my hand. In a moment from now, we would share the spotlight...
